Who Are We?

Fore!Singles is a not-for-profit organization of single, divorced and widowed men and women interested in playing golf. All skill levels are welcome!

Dues?

The annual dues of \$25.00 helps to provide a monthly newsletter, website, hotline, weekly league play, monthly golf tournaments and social events throughout the year.

How Do You Benefit?

For most busy singles, time is valuable. As a result, Fore!Singles offers flexible play to fit into everyone's schedule. Members have the opportunity to play:

- **Weekly** for 9 holes on Tuesday and/or Friday evening beginning in April - this is a great way to play with different members each week.
- **Monthly** in 18 hole tournaments arranged at a popular golf course in the St. Louis area - includes dinner, flighted & performance prize money, drawings and a great day of golf.

Socialize

Unwind and enjoy the many social events sponsored by Fore!Singles. The Social Committee plans a variety of activities throughout the year!
